TO: ALL PARENTS/CARERS

Dear Parent/Carer
Annwyl Rhieni

As part of our school's More Able and Talented policy and commitment to promoting learning for all, we have strategies in place to ensure that all pupils realise their full potential. We are currently identifying pupils who present as being More Able or Talented. The definition of this is as follows:

- **More Able and Talented** is the general term for this concept;
- Children may be **more able and/or talented** in diverse fields (academic, creative, sporting, social, leadership);
- **More able** children would demonstrate a higher ability than average for the class and would often require differentiated tasks and opportunities to learn through challenges;
- **Most able** children will be working at two levels above the majority of children in the class and would sometimes require additional and different provision. This would be supported by an IAP;
- **Talented** children demonstrate an innate talent or skill in creative or sporting fields.

When these strengths have been identified, it may be appropriate to provide a pupil with an Individual Action Plan designed to enable this pupil to achieve their full potential.

Your child is very important to us. To assist the school in identifying and developing your child's strengths and interests would you please help us by filling in and returning the enclosed questionnaire.

We look forward to working closely with you. Do not hesitate to contact us if you would like further information.

Yours sincerely

Mrs M Hall
