21st November 2018

TO: ALL PARENTS/CARERS

Dear Parent/Carer
Annwyl Rhieni

HWB ACCOUNT

Your child has a Hwb account that is used in the classroom to access online resources. They will now be able to access Google classroom through their Hwb account. This gives the children the opportunity to work collaboratively, not only in their class but also in other classes within the school. Staff will also be able to set work, and support and monitor computer use. Pupils will be able to start a project in school and then, if they want, to access it at home with their login details to continue it. This new feature will support your child in acquiring essential IT skills and achieve digital competency in readiness for their future careers.

We need to ask you, as parents/carers, to give your consent for your child to access their accounts through Google. Please be assured your child's work and information will only be shared within classes in our school.

Please contact the school **if you do not wish your child to access their Hwb account** through Google. If we do not hear from you by Tuesday, 27th November, we will assume you give your consent and your child will then bring their login details home.

Thanks for your co-operation.

Yours sincerely

Mrs C Crew
